## Attendance Information for Students & Parents

Updated September 16, 2020 and in effect for student attendance reporting beginning Friday, September 18, 2020. After the end of the last school day each week (mostly Fridays), attendance monitoring will occur and will be based on the student's OVERALL PROGRESS in all courses.

### How Students & Parents Can Monitor Overall Progress

When the student or parent is logged in and on the **Overview** tab, the **Overall Progress** bar is in the top right corner of the screen. By hovering over the Overall Progress bar, you can check the Overall Progress the student is making in all courses.

### Example 1

In this example the **Overall Progress** is **Behind (orange)**, so the total amount of absence time for all courses added together will be the amount of time absent for that week.

The screenshot shows the user interface for NOVA / Ayersville Local Schools. At the top left, there is a user profile icon and the text "NOVA / Ayersville Local Schools /". Below this is a navigation bar with four tabs: "Overview", "Report Card", "Daily Activity", and "Messages (0)". A red arrow points to the "Overview" tab. In the top right corner, there is an "Overall Progress" bar. A red arrow points to this bar. Below the bar, the text "Grades: -F-" is visible. A tooltip box is open over the bar, displaying "Actual progress: 14%" and "Expected progress: 19%". At the bottom right, there is a "Send Message..." button with an envelope icon.

## Example 2

In this example, the Overall Progress is On Track (**green**). Students with **Overall Progress** of **On Track** will not have any absence time for the week.

On the right side, there is a section for 'Overall Progress' with a red arrow pointing to a green progress bar. Below the bar, it says 'Grades: A'. A yellow tooltip box displays 'Actual progress: 18%' and 'Expected progress: 13%'. At the bottom right, there is a 'Send Message...' button with an envelope icon.

## Example 3

In this example, the **Overall Progress** is **Far Behind** (**red**), so the total amount of absence time for all courses added together will be the amount of time absent for that week. In addition, students in **Far Behind** status for **Overall Progress** at the end of the week will be placed on **Academic Probation** and must be **On Track** (**green**) by the end of the next week. If the student has not reached **On Track** (**green**) by the end of the next week, the student may lose the privilege of participating in the AVA and may be required to return to full time in-person learning at the school.

## How Overall Progress is Determined

Once clicked into the course, you should be on the **Overview** tab and see the list of **Assignments** for that course. It is important that you find the **Pace Date** column. To stay on track for attendance purposes and course completion, it is important that you are following, or ahead of, the dates in the **Pace Date** column to complete the course activities listed in the **Assignment** column. The activities listed in the **Assignment** column are not considered complete until the **green checkmark** is in place to the left of activity.

Assignment	Score	Last Activity	Pace Date
Course Resources	—	—	—
—Geometry	—	9/6/20	9/8/20
—Geometry Supply List	—	9/6/20	9/8/20
Reasoning	—	—	—

### Note

Students who are chronically in Behind status for Overall Progress, may be placed on Academic Probation for a designated period of time. If the Overall Progress does not show satisfactory progress, the student may be required to return to full time in-person learning at the school.
