ATTENDANCE POLICIES AND PROCEDURES

Regular school attendance is an important ingredient in students' academic success. Excessive absences interfere with students' progress in mastering knowledge and skills necessary to graduate from high school prepared for higher education and the workforce. To support academic success for all students, the Ayersville Local School District will partner with students and their families to identify and reduce barriers to regular school attendance. Missing too much school has long-term, negative effects on students, such as lower achievement and graduation rates. Even an excused absence results in the loss of important instructional time for students. Ohio law requires schools to track and report time missed due to absence, tardiness, or early dismissal to at least the nearest hour (one day equals six and one-half hours). Absences from the Ayersville Local Schools are of two types: excused and unexcused.

EXCUSED ABSENCE

An excused absence from school may be approved on the basis of one or more of the following conditions:

1. Illness of the child - A written statement from the physician may be required if it is deemed appropriate.
2. Illness in the family - A written statement from a physician and an explanation as to why the child's absence was necessary may be required.
3. Quarantine of the home - The absence is limited to the length of quarantine as determined by the proper health officials.
4. Death of a relative - The absence arising from this condition is limited to a period of three days (19.5 hours) unless a reasonable cause may be shown by the applicant child for a longer absence.
5. Medical or dental appointment - A written statement from the physician or dentist may be required.
6. Observance of religious holidays - Any child shall be excused if his/her absence was for the purpose of observing a religious holiday consistent with his/her truly held religious beliefs.
7. Emergency or other set of circumstances in which the judgment of the superintendent of schools constitutes a good and sufficient cause for absence from school. Pursuant to division (C) of section 3321.04 of the Revised Code.
8. Family Vacation – Parents must inform the principal in writing at least one week in advance of the planned absence for vacation. These hours may be counted as an excused absence and will appear as hours of absence on the student's attendance record.
9. Hunting – A maximum of one day (6.5 hours) may be recognized as an excused absence. Parents must inform the principal in writing, including proof of current hunting license, at least one week in advance of the planned absence for hunting.

ABSENCE FROM SCHOOL

When a student is absent from school, the following procedure shall be followed:

1. On the morning of a student absence, parents or guardians must notify the school office by 9:00 a.m. unless previous notification has been given in accordance with school procedures for excused absences. If an absence is due to an illness, parents may be asked to provide information about the illness as required by state law.
2. For purposes of determining perfect attendance, the students must be in attendance for the entire instructional day.
3. Students may be given an excused absence only if a valid note or phone call from their parents is received. A note will not be needed if a parent has called the school. A parent note or doctor/legal note must be submitted to the school office no more than 2 days after the last day of absence.
4. Participation in extracurricular activities is not allowed on a day a student is absent all day or during any part of the afternoon due to illness. A student must be in school no later than 11:30 a.m. until the end of the school day to participate that day in any co-curricular or extracurricular activities. Students who miss school on a Friday because of illness, need to be cleared by the coach/director/principal for Saturday/Sunday participation provided the student recovers and is healthy enough to participate. The only exception to this requirement will be a pre-arranged afternoon absence approved by the principal/designee in advance of the absence.

TARDY TO SCHOOL

Any student arriving after the tardy bell rings to start the school day shall report to the school office to be issued a tardy slip to be admitted to class. Students arriving no more than 10 minutes after the tardy bell are considered tardy to school and this time will appear on a student's attendance record. When entering or leaving during the school day, students must sign in or out at the school office. Students arriving more than 10 minutes after the tardy bell rings are considered absent and subject to all absence requirements.

Building principals may establish guidelines for disciplinary consequences as a result of tardiness to school.

APPOINTMENTS

The school is aware that it is necessary on occasion for students to be taken out of school for medical/legal appointments, etc. Parents shall inform the school in advance when such occasions arise. Parents must report to the appropriate office and sign your child out of school. If your child returns to school, he/she must be signed in at the office.

EARLY DISMISSAL

1. If a student becomes ill during the school day and wishes to go home, he/she must be properly excused by the office. Parents will be contacted and arrangements will be made for the student to leave school. This time may require a medical excuse and this time will be considered absent from school and appear on the student's attendance record.
2. Students who wish to leave for any reason other than illness must present a written excuse to the principal or her designee before school starts with time and location of appointment. The principal will determine if this time is excused or unexcused. This time may require a medical excuse and this time will be considered absent from school and appear on the student/s attendance record.
3. When entering or leaving during the school day, students must sign in or out at the school office. This is to be done after you have secured permission from the principal or her designee. Students who do not sign in upon returning to school will be counted absent from the time they leave school until the end of the school day.

HOMEWORK/ MAKE-UP WORK WHEN ABSENT

Students who are absent from school may be required to make up work missed in each class. The number of days absent will be equivalent to the number of days allowed to make up the work. It is the student's responsibility to arrange for make-up schoolwork. Building principals may establish guidelines regarding makeup work for excused and unexcused absences. When requesting homework for an absent student, please contact the school office in the morning to allow the teacher time to get it ready. Late afternoon requests are difficult to honor.

DEFINITIONS OF OHIO LAW

Excessive Absence - When a student is absent from school with or without legitimate excuse for:

38 or more hours in one school month or 65 or more hours in one school year. Once a student has met the definition of excessive absence, the parent or guardian will be notified of the child's excessive absences. In addition, appropriate intervention strategies and/or referral to community resources may be implemented.

Habitual Truancy - A student will be considered habitually truant if the student is absent from school without a legitimate excuse for: 30 or more consecutive hours, 42 or more hours in one school month, or 72 or more hours in one school year. Once a student has met the definition of habitual truancy, the student may be assigned to an absence intervention team, consisting of a team of district representatives and the parent(s) or guardian. The absence intervention team will develop the student's absence intervention plan. Absence intervention plans incorporate academic and non-academic supports to help the student and remove barriers to regular attendance. If the student does not make progress on the plan or continues to be excessively absent, the district may file a complaint in the juvenile court.

ABSENCE HOURS

No more than 65 hours of parent verified absence, including tardy to school, may be permitted during any school year. Once a student has been absent from school for 65 hours of parent verified absence, the student may be placed on Needs Medical Excuse (NME) status. Absences beyond 65 parent verified

hours may be recorded as unexcused unless proper medical or legal documentation is provided no more than 2 days after the last day of absence. Proper medical or legal documentation shall contain the following: student's name, time in and out of the doctor's office, an indication as to whether the student can return to school following the appointment or how many days the student will be out of school; the note must be written on the doctor's office stationery and must be signed by the doctor. Any exception to this rule must be approved by the principal's office prior to the absence.

BUS PERMIT

A written request should be turned into the office for a bus permit any time your child is to go to a home other than his/her own (even if on the same bus). This note should include whose house, address, and bus number if possible.

CAFETERIA

Lunches for elementary students are \$2.95 per day. Students who bring their lunch from home may purchase milk for \$0.65. (Please do not send soda pop with your child's lunch). Our cafeteria uses a debit system. You will be set up with a family cafeteria account. Your child's student ID number will be used in the cafeteria to deposit and deduct money from the lunch account. You are able to deposit any amount in this account. The deposits should be in an envelope with both the child's name and account number on the front.

Parents need to keep their child's lunch account with a positive balance. Students in grades 3-4 may purchase "EXTRAS" after their lunch is consumed. Students in K-4 may purchase a regular breakfast (\$1.85) prior to the start of school.

Ayersville Local Schools participate in the Federal Lunch Program. Elementary School students may obtain applications in the principal's office. Determination as to free or reduced eligibility will be based on the federal guidelines. Students on free/reduced lunches may also receive a free/reduced breakfast prior to the start of school.

ALL FOOD MUST BE EATEN IN THE CAFETERIA. NO PURCHASED FOOD IS TO BE TAKEN FROM THE CAFETERIA.

GUM/CANDY

Gum chewing or candy is not permitted.

CONFERENCES

Ayersville Local Schools will schedule at least one round of parent-teacher conferences during the school year. You are welcome to visit at any time throughout the year. If you should like to talk to a teacher, we suggest that you schedule a conference at a time that is convenient for both. We ask that you not interrupt classes to discuss matters with teachers.

DELAY/CLOSING OF SCHOOL

Delay of school and closing, etc. will be made over Defiance radio stations WONW 1280, WDFM 98.1, WZOM 105.7; WNDH 103 in Napoleon; and WBCL 89.5 in Fort Wayne/Archbold. The information will be on TV - Channels 11, 13 and 24 (Toledo). Parents can sign up for text, email, or call notification through School Messenger for delays and cancellations, or can find information posted on our school website: www.ayersville.org

DISMISSAL

For afternoon pick-up, parents must secure a car rider number to display in their automobile. Two tags per household will be given at the beginning of the school year in your Orientation Packet. If you lose or misplace your car rider tag, you will need to come in to the elementary office to purchase another one. The fee to replace your tag will be \$2.

Dismissal of K – 4 students will begin at 3:00 p.m. At dismissal, car riders will walk to the cafeteria, sit in their designated area, and wait to be picked up at the north (elementary) entrance. A staff member will then call out vehicle numbers and will guide your child to the correct car. Please be sure to have your car rider tag displayed in your front window as soon as you enter the school car line.

When entering the car line, please merge and be respectful. For their safety, students will not be permitted to cross lanes of traffic to get to their cars; instead they will be dismissed to cars using the lane closest to the curb.

You must have the car rider tag in order to use the Ayersville car line. If a car rider tag is not present, you will need a picture ID to pick up your child in the elementary office. Your child will be brought to the office after the entire car line is finished.

Students that ride the buses to and from school will enter and leave the building at the south (glass) entrance. Elementary students who are riding home with high school student drivers need to meet them in the cafeteria.

Please send a note with your child each day that he/she is doing something different than usual at dismissal. This should include the date and a description of the change in routine. Students staying after school for all activities (i.e., cheerleading and basketball) will also need a parent note giving permission. **AFTER 2:00 PM, NO CHANGES WILL BE MADE TO YOUR STUDENT'S EXPECTED DISMISSAL ROUTINE FOR THAT DAY.**

ELECTRONIC DEVICES

Radios, cell phones, CD/DVD players, iPods, smartwatches, electronic games, etc. can be distracting to classroom procedures if they are not used responsibly. There will be no personal device use during class time unless explicitly allowed by the teacher. The use of electronic devices will not be permitted at lunch or recess. The use of social media during school hours is strictly prohibited and will result in appropriate consequences. If a student uses his/her device, the device goes off, or causes a distraction during a lesson, the student will face the following consequences:

1. **First Offense:** Teacher confiscates device and turns it into the office. The device is then returned to the student after school.
2. **Second Offense:** Teacher confiscates device and turns it into the office. The device is then returned to parent/guardian after school.
3. **Third Offense:** See step 2 and other disciplinary action will be taken (i.e. detention, in school restriction, out of school suspension, etc.)

EDUCATIONAL OPPORTUNITIES

The IMPACT Program: IMPACT stands for “Instilling Mindsets, Promoting Academics, Celebrating Talents”. The program is designed to encourage our students to behave in proper and responsible ways through the use of the 7 Mindsets. The 7 Mindsets include: We Are Connected, Attitude of Gratitude, 100% Accountable, Everything Is Possible, Passion First, Time Is Now, and Live To Give. Data will be tracked through the IMPACT Program and will serve as the building Positive Behavioral Intervention and Supports (PBIS) framework.

Each student will receive a copy of the program pamphlet at the beginning of the school year. Students and parents are asked to read and be aware of the guidelines associated with the program. Data will be tracked through the IMPACT Program and will serve as the building Positive Behavioral Intervention and Supports (PBIS) framework.

Mindset Monday: Throughout the year, thirty minutes of every Monday is spent focusing on social-emotional learning in grades K-8. Ayersville utilizes the curriculum of the 7 Mindsets during this time. Teachers use the curriculum to have conversations with students surrounding the Mindset characteristics in order to improve their social-emotional wellbeing.

PIE Time: Pilot Intervention and Enrichment Time is a 30 minute timeframe set aside every day to focus on student's specific areas of deficiency in reading. Student data is used to determine the skills students may be struggling with and instruction is dedicated to strengthening those skills. Students that do not display an immediate need for reading intervention work with various staff to enrich their skills. Students move fluently in and out of PIE groups based on analysis of data.

Title 1: Ayersville Elementary is considered a Targeted Assistance Title 1 Program. Our Title 1 program uses federal funds to provide services to selected students who have the greatest need for educational assistance in the area of reading. Our Title 1 teacher works with small groups of eligible students within the classroom or in a pull-out situation. The teacher uses effective scientifically research-based instructional methods and strategies that strengthen the core academic program of the school and align with general classroom instruction/curriculum.

FERPA AND DIRECTORY INFORMATION

Ayersville Local Schools follows the guidelines of the Family Educational Rights and Privacy Act regarding all student records. The exception to disclosure of student information without consent is the release of "directory information". Ayersville will make the information listed below as directory information available upon legitimate request unless a parent/guardian or student 18 years or older notifies the school in writing by September 15 of each school year that he/she will not permit distribution of the following information. Under Ohio law directory information includes the following: student name, address, telephone listing, date and place of birth, dates of attendance, date of graduation, major field of study, awards received, participation in officially recognized activities and sports, and weight and height of members of athletic teams.

GUIDANCE/INSTRUCTIONAL SERVICES DEPARTMENT

Guidance services are available for all students. The purpose of the program is to help each student reach his/her highest development through an understanding of his or her personality, interests, abilities, and limitations. Teachers may assist the student in solving their problems. This is also part of the guidance program. Tests are administered through the guidance/instructional services department in order to gain a better understanding of the student's mental ability, aptitude, and achievement potential.

Ayersville Local Schools is happy to partner with the RFS Charitable Foundation's T.A.C.K.L.E. program. T.A.C.K.L.E. is a program offered at school that provides additional real time support to students while in the building, in addition to addressing issues as they may arise with peers and families. Support is available to your child for a variety of reasons including emotional issues, behavioral issues, and/or other barriers to education.

HEALTH NURSE

A nurse will be available every day and will be housed in the Clinic found adjacent to the middle school office. The nurse will be responsible for conducting mandated health screenings in addition to

dispensing medications. Faculty and staff can refer students to the nurse for all emergency and nonemergency situations.

IMMUNIZATION SUMMARY FOR SCHOOL ATTENDANCE

All parents must provide proof that their child has received the following immunizations prior to the student's enrollment in the Ayersville Local School District.

- Three (3) or more doses of IPV. The FINAL dose must be administered on or after the 4th birthday regardless of the number of previous doses. If a combination of OPV and IPV was received, four (4) doses of either vaccine are required.
- Four (4) or more doses of DTaP or DT, or any combination. If all four doses were given before the 4th birthday, a fifth (5) dose is required.
- Two (2) MMR (Measles, mumps, and rubella) immunizations. Two doses are required before a student enters kindergarten.
- Three (3) Hepatitis B immunizations.
- Two (2) doses of varicella (chickenpox) vaccine must be administered-prior to entry. Dose 1 must be administered on or after the first birthday. The second dose should be administered at least three (3) months after dose one (1); however, if the second dose is administered at least 28 days after first dose, it is considered valid.

INTERIM REPORTS/REPORT CARDS/GRADING SCALE

The Ohio Department of Education requires each school district to issue to parents or legal guardians, at stated intervals, a progress report for every pupil. As part of this requirement, Interim Progress Reports will be sent home with students approximately four weeks prior to the end of the nine-week grading period. Formal report cards are sent home with students the Thursday following the end of the nine-week grading period in grades K-4. The letter grade received in reading and math indicates the achievement at that phase level. Below is the grading scale used in the elementary.

A = 100-94	B+ = 89-87	C+ = 79-77	D+ = 69-67	F = 59-0
A- = 93-90	B = 86-84	C = 76-74	D = 66-64	
	B- = 83-80	C- = 73-70	D- = 63-60	

INVITATIONS TO PARTIES

We ask that you **do not** send invitations for a party to school to be passed out unless you are inviting the entire class.

LOCAL STORE POLICY

Students are not permitted to go across the street from the school to the Ayersville Carryout, Korner Pizza, or Dee and Gee's once they are on school property. This includes students loading and unloading a bus. Teacher supervised student groups intending to visit the businesses must have approval from the principal prior to the visit.

LOST AND FOUND

Students who find an article that has been lost should turn it into the office - unless you can readily find the owner. When you lose an article, check for it in the Lost and Found area located in the elementary hallway. Please be prompt in claiming lost articles. Lost articles will be held for a period of time, at the end of which the articles will be donated.

MEDIA CENTER

The mission of the school media center is to assist in providing quality education for every child and to encourage lifelong literacy and learning through reading. Our goals are for students to foster a love of reading and become proficient users of the library's sources. Our media center is a place that supports the school's curriculum and assists members of the learning community in becoming effective users of print and electronic resources.

Students in grades K-4 visit the media center weekly to select books. K - 2 books are checked out for a week at a time. Grades 3-4 books are checked out for two weeks. Students can renew items by bringing them into the media center.

Overdue notices are sent home periodically. There are no fines for overdue books. However, we will send home a notice for book replacement if the book is over 30 days overdue.

The replacement cost of the book will be sent home if school receives notice that the book is lost or damaged. Payment for a lost book is reimbursed or credited to the student's cafeteria account should the book be found and returned in good condition.

MEDICAL FORMS - EMERGENCY

Each student must have on file an Emergency Medical Form in the school office. This form is used when an accident occurs and we need to get the student immediate medical care. A copy of the form is also transported with groups going on field trips.

MEDICATION AND/OR MEDICAL PROCEDURES

School personnel will provide no medication and/or medical procedures unless compliance with Sections 1,2, and 3 (listed below) is completed. No medicine, either prescribed or non-prescriptive, will be kept or given out by school personnel without the procedures in Sections 1, 2, and 3 (below) completed and the proper form on file with the office.

Non-prescriptive medications do not need documentation from a doctor. However, a parent/guardian must complete the appropriate form and the medication needs to be in its original container.

1. A written and signed physician's request form identifying:
 - a. The student's name, birth date, school, and grade
 - b. The medication and dosage or procedure required
 - c. The time required
 - d. Possible reaction which should be reported to the physician
 - e. Special instructions including storage and sterile requirements
 - f. Date when medication or procedure no longer needed
 - g. Physician's name, address, and phone number
2. A form (5330F1) or (5330F1b) is to be completed and signed by the student's parents/guardians authorizing school personnel to administer the medication or procedure as instructed by the physician and agreeing:
 - a. To deliver the medication to the school in the container in which it was given out by the prescribing physician or licensed pharmacist
 - b. To notify the school if they change physicians
 - c. To notify the school if the medication, the dosage, or the procedure is changed or is to be eliminated
3. A section on the form to be completed and signed by the school principal, and each person authorized by the principal to administer the medication or procedure.

PROMOTION – FAILURE

At the completion of each school year, a student will be in one of three categories:

1. A student who successfully completes all schoolwork during the school year will be promoted.
2. A student who does not successfully complete schoolwork may be assigned to the next grade level.
3. A student who does not successfully complete schoolwork may be retained and will repeat the total year's schoolwork in the same grade.

SCHOOL INSURANCE

School time or 24-hour protection insurance is available to all students. You may secure an application from the office.

SCHOOL PARTIES

The elementary school program regularly includes emphasis upon the current season, holidays, or events. You may be asked to help with a party or share with refreshments at one of these occasions. Please keep in mind that because of nut allergies, all food items shared with a class must be store bought with a visible ingredients label.

SEVERE STORM PROCEDURES

TORNADO WATCH – The principal will keep alerted by use of a radio and/or computer. Students will not be alerted or alarmed. School will be dismissed at the regular time during the tornado watch.

TORNADO WARNING – Students and teachers will be alerted. Students will then be directed into the assigned areas and to sit on the floor against the wall. Students will not be permitted to leave the building unless accompanied by their parent or guardian. Busses will not operate during a warning. Normal dismissal of school will be delayed if a warning is in effect at the time of dismissal. Complete quiet will be maintained during a warning period and return to classrooms will be permitted only when the “all clear” is sounded by the U.S. Weather Bureau or Sheriff Department. When “all clear” is declared, students will receive verbal instructions from the principal concerning return to the classrooms. Periodic drills will be conducted to acquaint the students with these procedures.

PROCEDURE –

1. An announcement over the P.A. will signal the approach of a severe storm.
2. Teachers will take their classes to the proper designated area and will be responsible for their proper conduct.
3. If time permits, all doors and windows should be opened.
4. Students should take a large book with them to protect their head.
5. Students should sit with their backs against the wall.
6. Students should be positioned at least ten feet from any glass doors or windows.
7. Students and teachers should remain in their designated area until the principal has announced that all is clear.

SPECIAL SERVICES

Ayersville Elementary School shares the services of a speech and hearing therapist, physical therapist, and school psychologist with other local school districts. The guidance counselor, classroom teacher, principal, or parents can make recommendations for referral.

STUDENT ATTENDANCE AT SCHOOL EVENTS

Our school encourages students to attend as many after school events as possible. Enthusiastic spectators help to build school spirit and encourage students who are participating in the event. However, in order to

insure that students attending evening events as non-participants are properly safeguarded, it is mandatory that a parent or adult chaperone accompany students when they attend an event.

STUDENT CODE OF CONDUCT

Public schools have the responsibility to prepare students for reliable adult citizenship and to help them develop an appreciation for and an understanding of our representative form of government. In this regard our school provides the kinds of experiences expected to enable students to acquire desired citizenship qualities. At the same time, the school administration has an obligation to create a favorable setting in which the differing view of students, faculty, school board members, parents, and community representatives can be presented in such a way as to ensure optimum learning for others. Students and parents must recognize that to maintain an atmosphere conducive to learning, the reasonable exercise of authority of school officials is necessary.

It shall be the policy of the Ayersville Local School District to encourage student conduct that will promote good health, reasonable standards of behavior, effective citizenship, and favorable atmosphere for learning. Students on school grounds, in the line of sight from school property, or in places under school jurisdiction are required to abide by the rules which are established to achieve these objectives.

Teacher's Authority

Every student is under the jurisdiction of all teachers, regardless of whether or not the teacher has the student in class.

Due Process In Disciplinary Procedure

1. **SUSPENSION AND EXPULSION:** In accordance with Ohio law, Section 3313.66 O.R.C., the superintendent, the principal or the assistant principal of a school may suspend a pupil from school for not more than ten days. In addition, the superintendent may expel a student from school for eighty days. Suspensions or expulsions may extend from one school year to the next.
2. **PERMANENT EXCLUSION:** Sections 3313.66, .661 and .662 of O.R.C. have been expanded to incorporate changes for Ohio's exclusion law. A student may be permanently excluded from attending any Ohio Public School for certain very serious offenses.
3. **DUE PROCESS:** Due process in the context of quasi-judicial administrative proceedings, carried out by the school authorities, does not mean that procedures used in courts in juvenile proceedings must be followed exactly by school authorities when engaged in school-related disciplinary actions. It does mean that clear, definite, and fundamentally fair rules of procedure must govern disciplinary actions taken by school authorities.

According to Ohio law, Section 3313.66 O.R.C., a student must be given written notice of intent to suspend, with reasons for the intended suspension, and an opportunity to explain his/her behavior to the school administrator.

STUDENT DISCIPLINE CODE

It is the intent of Ayersville Local School to provide an environment conducive to a positive educational experience for all students and staff. In order to accomplish this end, it is necessary to implement rules of order for the people it serves.

The rules and regulations set forth herein have been developed with the help of students, parents, teachers, and administrators over a long period of time. It is in the interest of the health, safety and welfare of all that these rules are set forth.

The administration reserves the right to exercise flexibility in the administration of all disciplinary action. Individuality of the student infractions and other considerations may necessitate disciplinary action other

than that specifically listed. Ayersville Local School operates on the assumption that all disciplinary action functions on the philosophy of progression. Therefore, as referrals to the office mount, more severe penalties will be progressively implemented. The intent of this philosophy is to modify, and perhaps eliminate undesirable student behavior.

Unless otherwise indicated, the penalty for the violation of any of the following rules may be detention, community service, suspension, expulsion or permanent exclusion from school, pursuant to Ohio Revised Code, Section 3313.66. Furthermore, it should be noted that the consequences of the violation of these rules may result in not only school-related discipline, but also in criminal and/or civil actions or community service.

Rules And Regulations

The following rules, regulations, and procedures are based upon official policy of the Ayersville Local School Board of Education. Certain types of student conduct are prohibited. These rules and regulations shall be enforced, unless otherwise specifically stated therein: on the school grounds during and immediately before or immediately after school hours; on the school grounds at any other time when the school is being used by a school group; off school grounds at a school activity, function, or event; job stations where units of credit are given towards graduation. A student found to be in violation of any of these rules, or a portion thereof, will be subject to disciplinary action. This action shall consist of either a disciplinary notice, suspension for a set number of days, or expulsion or permanent exclusion.

Google Apps for Education (GSuite)

Many classes have online assignments posted on Google Classroom, which can be accessed through any computer with Internet access. Students should save important items on their GSuite account, these files can be accessed from most computers with Internet access. Talk with your son/daughter's teachers about the availability of coursework and assignments in Google Classroom. Google Apps can be accessed at <http://docs.ayersvillepilots.org>.

Internet Safety / Internet Filter

There are many sites on the Internet that can be potentially dangerous to minors. These sites are blocked by an internet filter while students are logged on to the district network. Students are in violation of district policy if they attempt to circumvent the filter through proxy servers, installing software apps, or editing computer settings.

Appropriate Use of Technology Equipment

Students who cause damage to school property shall be subject to disciplinary measures, and their parents shall be financially liable for such damage to the extent of the law.

Access to another person's account or computer without their consent or knowledge, or attempting to access the Ayersville Local Schools network restricted areas is considered hacking and is unacceptable behavior subject to disciplinary action.

The Board authorizes the imposition of fines for the loss, damage or destruction of school equipment, apparatus, musical instruments, library materials, textbooks, and for damage to school buildings and reserves the right, to the extent permitted by law, to withhold a report card or credits from any student whose payment of such fine is in arrears.
