ARRIVAL TO SCHOOL

As a general rule, students should not be dropped off at the school before 7:30 a.m. Fifth through eighth grade students entering the school between 7:30-7:40 a.m. will locate themselves in the cafeteria. When dropping off your students, please use the car line closest to the curb in the front parking lot. Buses will unload on the south side of the building beginning at 7:40 a.m. No parents should enter the south entrance for the purpose of dropping off students. This is a safety issue and will be strictly enforced. If you need to enter the building, park in the front parking lot and come to the middle school office.

Breakfast will be served in the cafeteria beginning at 7:30 a.m. each morning. No students are allowed on the playground in the morning before school.

The actual school day begins with the 7:55 a.m. bell. Students are expected to be in their classrooms prior to this bell. Announcements, attendance, and homeroom routines begin shortly after the 7:55 a.m. bell.

ATTENDANCE POLICIES AND PROCEDURES

Regular school attendance is an important ingredient in students' academic success. Excessive absences interfere with students' progress in mastering knowledge and skills necessary to graduate from high school and prepare for higher education and the workforce. To support academic success for all students, the Ayersville Local School District will partner with students and their families to identify and reduce barriers to regular school attendance. Missing too much school has long-term, negative effects on students, such as lower achievement and graduation rates. Even an excused absence results in the loss of important instructional time for students. Ohio law requires schools to track and report time missed due to absence, tardiness or early dismissal to at least the nearest hour (one day equals six and one-half hours). Absences from the Ayersville Local Schools are of two types: excused and unexcused.

EXCUSED ABSENCE

An excused absence from school may be approved on the basis of one or more of the following conditions:

1. Illness of the child - A written statement from the physician may be required if it is deemed appropriate.
2. Illness in the family - A written statement from a physician and an explanation as to why the child's absence was necessary may be required.
3. Quarantine of the home - The absence is limited to the length of quarantine as determined by the proper health officials.
4. Death of a relative - The absence arising from this condition is limited to a period of three days (19.5 hours) unless a reasonable cause may be shown by the applicant child for a longer absence.
5. Medical or dental appointment - A written statement from the physician or dentist may be required.
6. Observance of religious holidays - Any child shall be excused if his/her absence was for the purpose of observing a religious holiday consistent with his/her truly held religious beliefs.
7. Emergency or other set of circumstances in which the judgment of the superintendent of schools constitutes a good and sufficient cause for absence from school. Pursuant to division (C) of section 3321.04 of the Revised Code.
8. Family Vacation – Parents must inform the principal in writing at least one week in advance of the planned absence for vacation. These hours may be counted as an excused absence and will appear as hours of absence on the student's attendance record.
9. Hunting – A maximum of one day (6.5 hours) may be recognized as an excused absence. Parents must inform the principal in writing, including proof of current hunting license, at least one week in advance of the planned absence for hunting.

ABSENCE FROM SCHOOL

When a student is absent from school, the following procedure shall be followed:

1. On the morning of a student absence, parents or guardians must notify the school office by 9:00 a.m. unless previous notification has been given in accordance with school procedure for excused absences. If an absence is due to an illness, parents may be asked to provide information about the illness as required by state law.
2. For purposes of determining perfect attendance, the students must be in attendance for the entire instructional day.

3. Students may be given an excused absence only if a valid note or phone call from their parents is received. A note will not be needed if a parent has called the school. A parent note or doctor/legal note must be submitted to the school office no more than 2 days after the last day of absence.
4. Participation in extracurricular activities is not allowed on a day a student is absent all day or during any part of the afternoon due to illness. A student must be in school no later than 11:30 a.m. until the end of the school day to participate that day in any co-curricular or extracurricular activities. Students who miss school on a Friday because of illness, need to be cleared by the coach/director/principal for Saturday/Sunday participation provided the student recovers and is healthy enough to participate. The only exception to this requirement will be a pre-arranged afternoon absence approved by the principal/designee in advance of the absence.

TARDY TO SCHOOL

Any student arriving after the tardy bell rings to start the school day shall report to the school office to be issued a tardy slip to be admitted to class. Students arriving no more than 10 minutes after the tardy bell are considered tardy to school and this time will appear on a student's attendance record. When entering or leaving during the school day, students must sign in or out at the school office. Students arriving more than 10 minutes after the tardy bell rings are considered absent and subject to all absence requirements. Building principals may establish guidelines for disciplinary consequences as a result of tardiness to school.

APPOINTMENTS

The school is aware that it is necessary on occasion for students to be taken out of school for medical/legal appointments, etc. Parents shall inform the school in advance when such occasions arise. Parents must report to the appropriate office and sign your child out of school. If your child returns to school, he/she must sign in at the office.

EARLY DISMISSAL

1. If a student becomes ill during the school day and wishes to go home, he/she must be properly excused by the office. Parents will be contacted and arrangements will be made for the student to leave school. This time may require a medical excuse and this time will be considered absent from school and appear on the student's attendance record.
2. Students who wish to leave for any reason other than illness must present a written excuse to the principal or her designee before school starts with time and location of appointment. The principal will determine if this time is excused or unexcused. This time may require a medical excuse and this time will be considered absent from school and appear on the student's attendance record.
3. When entering or leaving during the school day, students must sign in or out at the school office. This is to be done after you have secured permission from the principal or her designee. Students who do not sign in upon returning to school will be counted absent from the time they leave school until the end of the school day.

HOMEWORK/ MAKE-UP WORK WHEN ABSENT

Students who are absent from school may be required to make up work missed in each class. The number of days absent will be equivalent to the number of days allowed to make up the work. It is the student's responsibility to arrange for make-up schoolwork. Building principals may establish guidelines regarding makeup work for excused and unexcused absences. When requesting homework for an absent student, please contact the school office in the morning to allow teachers time to get it ready. Late afternoon requests are difficult to honor.

DEFINITIONS OF OHIO LAW

Excessive Absence - When a student is absent from school with or without legitimate excuse for: 38 or more hours in one school month or 65 or more hours in one school year. Once a student has met the definition of excessive absence, the parent or guardian will be notified of the child's excessive absences. In addition, appropriate intervention strategies and/or referral to community resources may be implemented.

Habitual Truancy - A student will be considered habitually truant if the student is absent from school without a legitimate excuse for: 30 or more consecutive hours, 42 or more hours in one school month, or 72 or more hours in one school year. Once a student has met the definition of habitual truancy, the student may be assigned to an absence intervention team, consisting of a team of district representatives and the parent(s) or guardian. The absence intervention team will develop the student's absence intervention plan. Absence intervention plans incorporate academic and non-academic supports to help the student and remove barriers to regular attendance. If the student does not make progress on the plan or continues to be excessively absent, the district may file a complaint in the juvenile court.

ABSENCE HOURS

No more than 65 hours of parent verified absence, including tardy to school, may be permitted during any school year. Once a student has been absent from school for 65 hours of parent verified absence, the student may be placed on Needs Medical Excuse (NME) status. Absences beyond 65 parent verified hours may be recorded as unexcused unless proper medical or legal documentation is provided. Proper medical or legal documentation shall contain the following: student's name time in and out of the doctor's office an indication as to whether the student can return to school following the appointment or how many days the student will be out of school must be signed by the doctor must be written on the doctor's office stationery. Any exception to this rule must be approved by the principal's office prior to the absence.

BUS PERMIT

A written request should be turned into the office for a bus permit any time your child is to go to a home other than his/her own (even if on the same bus). This note should include whose house and bus number if possible.

CAFETERIA

Lunches for 5th/6th grade students are \$2.95 per day and \$3:00 per day for 7th/8th grade students. Students who bring their lunch from home may purchase milk for \$0.65. (Please do not send soda pop with your child's lunch). Our cafeteria uses a debit system. You will be set up with a family cafeteria account. Your child's student ID number will be used in the cafeteria to deposit and deduct money from the lunch account. You are able to deposit any amount in this account. The deposits should be in an envelope with both the child's name and account number on the front.

Parents need to keep their child's lunch account with a positive balance. Students may purchase a regular breakfast (\$1.85) prior to the start of school.

Ayersville Local Schools participate in the Federal Lunch Program. Middle school students may obtain applications in the principal's office. Determination as to free or reduced eligibility will be based on the federal guidelines. Students on Free/Reduced Lunches may also receive a Free/Reduced breakfast prior to the start of school.

ALL FOOD MUST BE EATEN IN THE CAFETERIA. NO PURCHASED FOOD IS TO BE TAKEN FROM THE CAFETERIA.

CONFERENCES

Ayersville Local Schools will schedule at least one round of parent-teacher conferences during the school year. You are welcome to visit at any time during the school year. If you should like to talk to a teacher, we suggest that you schedule a conference at a time that is convenient for both. We ask that you not interrupt classes to discuss matters with teachers.

DELAY/CLOSING OF SCHOOL

Delay of school and closing, etc. will be made over Defiance radio stations WONW 1280, WDFM 98.1, WZOM 105.7; WNDH 103 in Napoleon; and WBCL 89.5 in Fort Wayne/Archbold. The information will be on TV - Channels 11, 13 and 24 (Toledo). Parents can sign up for text, email, or call notification through School Messenger for delays and cancellations, or can find information posted on our school website: www.ayersville.org

DISMISSAL

Dismissal of 5-8 students will begin at 3:00 p.m. For afternoon pick-up, we will be utilizing a car line pick-up process. Our K-4 students/parents will be issued car tags and those students will be dismissed by number from the cafeteria. Fifth-eighth grade car riders will be allowed to make their way to parent cars as they see parents pulling through the car line lane closest to the curb.

When entering the car line, please merge and be respectful. For their safety, students will not be permitted to cross lanes of traffic to get to their cars; instead they will be dismissed to cars using the lane closest to the curb.

Middle school students who are riding home with high school student drivers need to meet them in the cafeteria.

Please send a note with your child each day that he/she is doing something different than usual at dismissal BEFORE 2:30. This should include the date and a description of the change in routine. Students staying after school for all activities (i.e., cheerleading and basketball) will also need a parent note giving permission.

ELECTRONIC DEVICE POLICY

An electronic device is a device that emits an audible signal, vibrates, displays a message or otherwise summons or delivers communication to the processor. The following are examples of electronic devices: cell or wireless telephones, pagers/beepers, laser pointers, MP3 players, smart phones, smart watches, WiFi-enabled or broadband access devices, two-way radios, video production devices, laptops, tablets and other devices that allow a person to record and/or transmit, on either a real time or delayed basis, sound, video, or still images, text, or other information.

The use of cell phones and mobile communication devices for any voice or text communication is **NOT** permitted during instructional time, in academic hallways, restrooms, and locker rooms. Students are only permitted to use their personal cell phones and mobile communication device in the cafeteria during their lunch period (for 7th/8th grade students only). Students may possess cell phones and other electronic devices during instructional time, in academic hallways, in restrooms, and in locker rooms, provided they are powered completely off (not just placed on vibrate or silent mode) and stored out of sight.

No student may record a class in any fashion unless they have informed the teacher/class and have written permission from the teacher and the recording device is visible to everyone in the classroom.

No student may record, take, or distribute inappropriate pictures (i.e. nudity, sexually suggestive, illegal activities, vulgar gestures, etc.) during any school related activity.

No student shall use a cell phone or mobile communication device to circumvent the early dismissal or attendance policies.

The student assumes all risks in bringing such devices onto school property or to school related functions. Ayersville Local Schools is not responsible for loss or damage to any of these personal items that may be brought to school.

Consequences for inappropriate use of Electronic Devices:

First Offense: Staff Member brings device to office. Office Documents. Office returns device to student **AFTER** school.

Second Offense: Staff Member brings device to office. Office Documents. Office returns device to parent/guardian **AFTER** school. Detention is issued.

FERPA AND DIRECTORY INFORMATION

Ayersville Local Schools follows the guidelines of the Family Educational Rights and Privacy Act regarding all student records. The exception to disclosure of student information without consent is the release of “directory information”. Ayersville will make the information listed below as directory information available upon legitimate request unless a parent/guardian or student 18 years or older notifies the school in writing by September 15 of each school year that he/she will not permit distribution of the following information. Under Ohio law directory information includes the following: student name, address, telephone listing, date and place of birth, dates of attendance, date of graduation, major field of study, awards received, participation in officially recognized activities and sports, and weight and height of members of athletic teams.

GUIDANCE/INSTRUCTIONAL SERVICES DEPARTMENT

Guidance services are available for all students. The purpose of the program is to help each student reach his/her highest development through an understanding of his or her personality, interests, abilities, and limitations. Teachers may assist the student in solving their problems. This is also part of the guidance program. Tests are administered through the guidance/instructional services department in order to gain a better understanding of the student’s mental ability, aptitude, and achievement potential.

Ayersville Local Schools is happy to partner with the RFS Charitable Foundation’s T.A.C.K.L.E. program. T.A.C.K.L.E. is a program offered at school that provides additional support to students. Support is available to your child for a variety of reasons including emotional issues, behavioral issues, and/or other barriers to education. T.A.C.K.L.E. offers real time intervention to address these issues in school, in addition to addressing issues as they may arise with peers and families.

HEALTH NURSE

A nurse will be available every day and will be housed in the clinic found adjacent to the middle school office. The nurse will be responsible for conducting mandated hearing, vision, and other health screenings in addition to dispensing medications. Faculty and staff can refer students to the nurse for emergency and nonemergency situations. The school nurse is trained to make decisions as to whether a student should stay at school or go home if not feeling well. Please consult with our school nurse prior to picking up your child.

IMMUNIZATION SUMMARY FOR SCHOOL ATTENDANCE

All parents must provide proof that their child has received the following immunizations prior to the student’s enrollment in the Ayersville Local School District.

- Four (4) oral polio immunizations (unless the 3rd dose was given after the 4th birthday).
- Five (5) DPT (Diphtheria, tetanus, whooping cough) immunizations (unless the 4th dose was given after the 4th birthday).
- Two (2) MMR (Measles, mumps, and rubella) immunizations. Two doses are required before a student enters kindergarten.

- Three (3) Hepatitis B immunizations.
- Two (2) doses of varicella (chickenpox) vaccine must be administered-prior to entry. Dose 1 must be administered on or after the first birthday. The second dose should be administered at least three (3) months after dose one (1); however, if the second dose is administered at least 28 days after first dose, it is considered valid.

I.M.P.A.C.T. PROGRAM

The IMPACT program stands for “Instilling Mindsets, Promoting Academics, Celebrating Talents”. This program is designed to encourage our students to behave in proper and responsible ways. Each student will receive a copy of the program pamphlet at the beginning of the school year. Students and parents are asked to read and be aware of the guidelines associated with the program.

INCENTIVE PROGRAM

We believe it is important to reward students for their success at school. Along with the IMPACT program, students in grades 5-8 will have the opportunity to earn an incentive activity if certain criteria is met. Those students that meet the following criteria for a given semester will have the chance to participate in the incentive activities. Activities will be decided at the beginning of each school year. The school will provide transportation to & from the trip as well as the chaperones if the activity is off-campus. It will be the students responsibility to pay for the activity if there is an associated cost. Incentive activity criteria:

1. No lunch detentions (behavior based) or study tables (academic based).
2. No after school detentions or suspensions of any kind (in school or out of school).
3. No D’s or F’s on the quarterly report cards.
4. Meet the quarterly reading challenges.
5. No more than 1 unexcused tardy.
6. No unexcused absences.
7. At least 2 IMPACT marks per semester.

INTERIM REPORTS/REPORT CARDS/GRADING SCALE

The Ohio Department of Education requires each school district to issue to parents or legal guardians, at stated intervals, a progress report for every pupil. As part of this requirement, Interim Progress Reports will be sent home with students approximately four weeks prior to the end of the nine-week grading period. Formal report cards are sent home with students at the end of the nine-week grading period. Final report cards at the conclusion of the school year will be mailed home. Any student that receives a “D” or “F” on the interim or report card will be required to have it signed by a parent/guardian and returned to school. The letter grade received indicates the achievement at that phase level. Below is the grading scale used in the middle school.

A = 100 to 90
 B = 89 to 80
 C = 79 to 70
 D = 69 to 60
 F = 59 & below

MEDIA CENTER

The mission of the media center is to assist in providing quality education for every child and to encourage lifelong literacy and learning through reading. Our goals are for students to foster a love of reading and become proficient users of the media center resources. The media center serves as a place for teachers to collaborate with the media specialist to teach students using a variety of print and electronic resources. Our

media center is a place that supports the school's curriculum and assists members of the learning community in becoming effective users of information.

Students visit the media center weekly in grades 5 - 6 to select book. Books are checked out for two weeks. Students can renew items by bringing them into the media center.

Overdue notices are sent home periodically. There are no fines for overdue books. However, we will send home a notice for book replacement if the book is past 30 days overdue.

The replacement cost of the book will be sent home if the school receives notice that the book is lost or damaged. Payment for a lost book is reimbursed or credited to the student's cafeteria account should the book be found and returned in good condition.

LOCAL STORE POLICY

Students are not permitted to go across the street from the school to the Ayersville Carryout, Corner Pizza, or Dee and Gee's once they are on school property. This includes students loading and unloading a bus. Teacher supervised student groups intending to visit the businesses must have approval from the principal prior to the visit.

LOST AND FOUND

Students who find an article that has been lost should turn it into the office - unless you can readily find the owner. Prompt return of items that have been lost will do much to build goodwill in the school. When you lose an article, check in the office and describe what you have lost. Please be prompt in claiming lost articles. Lost articles will be held in the office for two weeks. At the end of this time period, the articles will be donated.

MEDICAL FORMS - EMERGENCY

Each student must have on file in the middle school office an Emergency Medical Form. This form is used when an accident occurs and we need to get the student immediate medical care. A copy of the form is also transported with groups going on field trips.

MEDICATION AND/OR MEDICAL PROCEDURES

School personnel will provide no medication and/or medical procedures unless compliance with Sections A, B, C (listed below) is completed. No medicine, either prescribed or non-prescriptive, will be kept or given out by school personnel without the procedures in Sections A, B, and C (below) completed and the proper form on file with the office.

Non-prescriptive medications do not need documentation from a doctor. However, a parent/guardian must complete the appropriate form and the medication needs to be in its original container.

1. A written and signed physician's request form identifying:
 - a. The student's name, birth date, school, and grade
 - b. The medication and dosage or procedure required
 - c. The time required
 - d. Possible reaction which should be reported to the physician
 - e. Special instructions including storage and sterile requirements
 - f. Date when medication or procedure no longer needed
 - g. Physician's name, address, and phone number
2. A form (5330F1) or (5330F1b) is to be completed and signed by the student's parents/guardians authorizing school personnel to administer the medication or procedure as instructed by the physician and agreeing:

- a. To deliver the medication to the school in the container in which it was given out by the prescribing physician or licensed pharmacist
 - b. To notify the school if they change physicians
 - c. To notify the school if the medication, the dosage, or the procedure is changed or is to be eliminated
3. A section on the form to be completed and signed by the school principal, and each person authorized by the principal to administer the medication or procedure.

PROMOTION – FAILURE

At the completion of each school year, a student will be in one of three categories:

1. A student who successfully completes all schoolwork during the school year will be promoted.
2. A student who does not successfully complete schoolwork may be assigned to the next grade level.
3. A student who does not successfully complete schoolwork may be retained.
 - a. If retained, the student will repeat the total year's schoolwork in the same grade.

SCHOOL INSURANCE

School time or 24-hour protection insurance is available to all students. You may secure an application from the office.

SEVERE STORM PROCEDURES

TORNADO WATCH – The principal will keep alerted by use of a radio and/or computer. Students will not be alerted or alarmed. School will be dismissed at the regular time during the tornado watch.

TORNADO WARNING – Students and teachers will be alerted. Students will then be directed into the assigned areas and to sit on the floor against the wall. Students will not be permitted to leave the building unless accompanied by their parent or guardian. Busses will not operate during a warning. Normal dismissal of school will be delayed if a warning is in effect at the time of dismissal. Complete quiet will be maintained during a warning period and return to classrooms will be permitted only when the “all clear” is sounded by the U.S. Weather Bureau or Sheriff Department. When “all clear” is declared, students will receive verbal instructions from the principal concerning return to the classrooms. Periodic drills will be conducted to acquaint the students with these procedures.

PROCEDURE –

1. An announcement over the P.A. and telephone system will signal the approach of a severe storm.
2. Teachers will take their classes to the proper designated area and will be responsible for their proper conduct.
3. Students should sit with their backs against the wall.
4. Students should be positioned at least ten feet from any glass doors or windows.
5. Students and teachers should remain in their designated area until the principal has announced that all is clear.

SPECIAL SERVICES

Ayersville Middle School shares the services of a speech and hearing therapist, physical therapist, and school psychologist with other local school districts. The guidance counselor, classroom teacher, principal, or parents can make recommendations for referral.

STUDENT ATTENDANCE AT SCHOOL EVENTS

Our school encourages students to attend as many after school events as possible. Enthusiastic spectators help to build school spirit and encourage students who are participating in the event. However, in order to insure that students attending evening events as non-participants are properly safeguarded, it is mandatory that a parent or adult chaperone accompany students when they attend an event.

STUDENT CODE OF CONDUCT

Public schools have the responsibility to prepare students for reliable adult citizenship and to help them develop an appreciation for and an understanding of our representative form of government. In this regard our school provides the kinds of experiences expected to enable students to acquire desired citizenship qualities. At the same time, the school administration has an obligation to create a favorable setting in which the differing view of students, faculty, school board members, parents, and community representatives can be presented in such a way as to ensure optimum learning for others. Students and parents must recognize that to maintain an atmosphere conducive to learning, the reasonable exercise of authority of school officials is necessary.

It shall be the policy of the Ayersville Local School District to encourage student conduct that will promote good health, reasonable standards of behavior, effective citizenship, and favorable atmosphere for learning. Students on school grounds, in the line of sight from school property, or in places under school jurisdiction are required to abide by the rules which are established to achieve these objectives.

Teacher's Authority

Every student is under the jurisdiction of all teachers, regardless of whether or not the teacher has the student in class.

Due Process In Disciplinary Procedure

1. **SUSPENSION AND EXPULSION:** In accordance with Ohio law, Section 3313.66 O.R.C., the superintendent, the principal or the assistant principal of a school may suspend a pupil from school for not more than ten days. In addition, the superintendent may expel a student from school for eighty days. Suspensions or expulsions may extend from one school year to the next.
2. **PERMANENT EXCLUSION:** Sections 3313.66, .661 and .662 of O.R.C. have been expanded to incorporate changes for Ohio's exclusion law. A student may be permanently excluded from attending any Ohio Public School for certain very serious offenses.
3. **DUE PROCESS:** Due process in the context of quasi-judicial administrative proceedings, carried out by the school authorities, does not mean that procedures used in courts in juvenile proceedings must be followed exactly by school authorities when engaged in school-related disciplinary actions. It does mean that clear, definite, and fundamentally fair rules of procedure must govern disciplinary actions taken by school authorities.

According to Ohio law, Section 3313.66 O.R.C., a student must be given written notice of intent to suspend, with reasons for the intended suspension, and an opportunity to explain his/her behavior to the school administrator.

STUDENT DISCIPLINE CODE

It is the intent of Ayersville Local School to provide an environment conducive to a positive educational experience for all students and staff. In order to accomplish this end, it is necessary to implement rules of order for the people it serves.

The rules and regulations set forth herein have been developed with the help of students, parents, teachers, and administrators over a long period of time. It is in the interest of the health, safety and welfare of all that these rules are set forth.

The administration reserves the right to exercise flexibility in the administration of all disciplinary action. Individuality of the student infractions and other considerations may necessitate disciplinary action other than that specifically listed. Ayersville Local School operates on the assumption that all disciplinary action functions on the philosophy of progression. Therefore, as referrals to the office mount, more severe penalties will be progressively implemented. The intent of this philosophy is to modify, and perhaps eliminate undesirable student behavior.

Unless otherwise indicated, the penalty for the violations of any of the following rules may be detention, community service, suspension, expulsion or permanent exclusion from school, pursuant to Ohio Revised Code, Section 3313.66. Furthermore, it should be noted that the consequences of the violations of these rules may result in not only school-related discipline, but also in criminal and/or civil actions or community service.

Rules And Regulations

The following rules, regulations, and procedures are based upon official policy of the Ayersville Local School Board of Education. Certain types of student conduct are prohibited. These rules and regulations shall be enforced, unless otherwise specifically stated therein: on the school grounds during and immediately before or immediately after school hours; on the school grounds at any other time when the school is being used by a school group; off school grounds at a school activity, function, or event; job stations where units of credit are given towards graduation. A student found to be in violation of any of these rules, or a portion thereof, will be subject to disciplinary action. This action shall consist of either a disciplinary notice, suspension for a set number of days, or expulsion or permanent exclusion.
